

Homeschool Spring Co-Op Course Description

Course: Preschool Science

Teacher: Thaina L Cordero

Experiments and sensory explorations aimed to develop communication and observational skills, their senses, and overall awareness.

Course: Music Adventures

Teacher: Angelica M. Egozcue

Explore beats and rhythms along to new instruments, genres, composers, musical games, stories and lots of movement in this fun and engaging music class.

Course: Mixed Media Art

Teacher: Nik-kia Thomas

Be inspired and get creative! There is not one particular medium being used because we will use a mixture of mediums like acrylic paint, chalk pastels, oil pastels, paper mache, recycled materials, watercolor, fabric, markers and much more!

Course: Mad Science

Children participate in hands-on experiments in small groups, individually and as assistant to the instructor in dynamic interactive demonstrations, and always make something they can take home. Our STEM curriculum correlates with both National and Florida Sunshine State Standards for science.

Course: Dungeon and Dragons – Tweens & Teens

Teacher: Jose

Have fun playing Dungeons and Dragons and learn at the same time. Explore treacherous and foreboding lands of simple math, history, social studies, combat tactics and political science.

Course: Polymer Clay Miniatures

Teacher: Elis McEachern

Student led class, teaching how to make a new miniature clay item each week. With step by step instructions and personal guidance each student will make 9 clay pieces that will be baked and glazed by the teacher. On the 10th class the Clay Graduation project can be taken home and baked and glazed by the student so they have complete knowledge of the process from start to finish.

Course: Beginners Guitar

Teacher: Angelica M. Egozcus

Fun, immersive and introductory acoustic guitar course for beginner players. Students will learn basic technique, chords, strum patterns and improv along to popular songs and different genres in a group setting.

Course: Guitar Level 2

Teacher: Angelica M. Egozcus

For musicians who have covered basic chords and strum patterns and are ready to take their playing to the next level with lead and rhythm guitar.

Course: Woodworking

Teacher: Mike LeGath

All tools and wood supplied. Safety is first while learning basic wood carving.

Course: Book Club for Adults

Teacher: Erin McEachern

Absorb the beauty in two selected books through guided discussion and classroom activities. Discover the benefits of book annotation. Walk away with a gorgeous leather journal to continue your journey as a confident literary consumer. Take time to do something for you!

Course: Adult Doodle Class

Teacher: Nik-kia Thomas

Doodle, zen tangle and all things art therapy!
