Beginners Guitar Club with Miss Angelica

Learn and Review the basics of playing the guitar. We'll learn first position chords and basic strumming patterns to popular songs. Students will need their own instrument.
Max students (6). Ages 8 and up. Cost \$90 for 10 wks. 10% sibling discount.

LEGO Fun

This will be a fun class that emphasizes using creativity to build and also helps students increase their presentation skills in a relaxed setting. Each week will present a new theme to build with. Besides building with LEGOs, students will play LEGO games, learn helpful LEGO building techniques and more! This is purely a "hands on" class – no pencil or paper required! (If a student is uncomfortable with presenting, they will be gently encouraged but not forced.) Class fee includes a set of LEGOs for the student to use during class. Boxes will be labeled with the student's name, go home with the teacher each week, and be given to the student to keep at the end of the semester. Ages 5+. Cost: \$25 plus \$40 materials fee for 10 weeks.
