

Board and Card Games 11am-1145am

Join us for some board and card game fun. We will play in pairs or small groups. With parent approval, kids can bring their own games or choose from some of our family favorites, such as: Skip Bo, Uno, Phase 10, Candyland, Sequence, Disney Pictopia, 10 Days in the USA, Eye Found It, Life, Hoot Owl Hoot, Scrabble, Mouse Trap, Disney Code Names, Disney Apples to Apples, and more! Ages 6+ (younger with parent help). Cost: Free!

Kids Crafts 12pm-1245pm

Heather Trowbridge email: hlthrow811@gmail.com

Kids will make a simple craft each week (most based on the current holiday or season), using simple supplies. Activities include cardboard tube penguins, watercolor painted heart resist, and more! Individual expression is highly encouraged. Note: My 6-year-old planned all of the crafts and thinks she is teaching. Ages 4+ (younger if parents assist during each class). Cost \$30 (includes materials) for 10 weeks.

LEGO Fun 1pm-145pm

Heather Trowbridge email: hlthrow811@gmail.com

LEGO Fun This will be a fun class that emphasizes using creativity to build (no instructions to follow) and also helps students increase their presentation skills in a relaxed setting. (If a student is uncomfortable with presenting, they will be gently encouraged but not forced.) Each week will present a new theme to build with. Besides building with LEGOs, students will play LEGO games, learn helpful LEGO building techniques and more! This is purely a “hands on” class – no pencil or paper required! Class fee includes a set of LEGOs for the student to use during class. It will be labeled with the student's name, go home with the teacher each week, and be given to the student to keep at the end of the semester. Ages 5+. Cost: \$75 (\$35 plus \$40 materials fee) for 10 weeks.
